MRS. PARK'S SUMMER FUN CAMP INC. - JULY CAMP

Dear Parent(s), Guardians, Campers:

Welcome to Mrs. Park's Summer Fun Camp. We have a great month lined up and are very happy you will be joining us.

As always, our first concern is for your safety so here are a few reminders that will help us out:

- * Please wear shoes that you can run and have fun in - **NO SANDALS or FLIP FLOPS**
- * Remember your hat – you need one to play outdoors.
- * Sunscreen! Please put some on before you leave in the morning and bring a bottle with your name on it so we can reapply it during the day.
- * Bugs! If you put on bug-junk, please do so at home. We are in the same environment as your backyard, daytime hours, so whatever you do, please continue to do so.
- * Extra change of clothing in a labelled bag to leave for the week.
- * Please bring a peanut free lunch. (We have a peanut safe environment therefore **no peanut products are permitted at camp** – peanut butter, nuts, etc.).
- * A morning and afternoon healthy snack is provided.
- * Bring a water bottle (labelled with your child's name). We will have a water cooler to refill water bottles.
- * Great T-shirts and bags will be available for sale at the camp.
- * Please bring a large gift bag with you to take home all of the wonderful things you will make.

Citizenship! This is something that we will talk about each day and can be reinforced at home. Tell your parents what you know about being a good citizen and friend.

To contact our staff or the camp director during the day and after hours, please call (416) 482-4131 to leave your phone number and we will call you back or call (647) 278-5495, the director's cell number. She carries her cell with her all day.

Finally, remember our cheer!

At Mrs. Park's we've got the spark
And the spirit – so come on let's hear it
At Mrs. Park's Oh Yeah Oh Yeah
At Mrs. Park's Oh Yeah Oh Yeah

We've got spirit**Deep down inside
So bring it out**don't let it hide

Thank you – Mary Dwan King and Camp Staff

Child's Immunization Information New Registrant to Licensed Child Care Programs Instructions for Parents/Guardians

Please help us keep children in licensed child care programs healthy by making sure your child is properly immunized. You are required to provide an up-to-date record of your child's immunization to Toronto Public Health.

Children enrolled in licensed child care centres are required by law to be immunized against **Pertussis (Whooping Cough), Diphtheria, Tetanus (Lockjaw), Polio, Measles, Mumps, Rubella (German Measles), and Haemophilus influenza type b**, unless exempted by the Medical Officer of Health.

A parent or guardian of a child registering in a licensed child care program must provide one of the following:

An up-to-date record of their child's immunization.

OR

A completed medical exemption form, which clearly states the medical reasons why the child cannot be immunized. This form is to be completed by a qualified medical practitioner.
This form is available from Toronto Public Health.

OR

If immunization conflicts with a parent/guardian's religious or conscience beliefs a notarized form must be completed. This form is available from Toronto Public Health.

Toronto Public Health will notify you if your child's immunization is not up to date. If an outbreak occurs, any child who is not adequately immunized may be kept out of the child care facility until the child receives the required vaccine or until all danger of illness has passed.

Instructions

1. Complete the reverse side of this form and return it to the child care facility.
2. Fill in the dates of each needle (including the year, month and day), or attach a clear photocopy of the child's immunization record. Complete both sides of the record.
3. If you do not have an immunization record for your child, take this form to your doctor.
4. When your child receives another needle give a copy of this information to the child care facility.
5. If you do not have an Ontario Health Card call the Immunization Infoline at 416-392-1250. We will tell you how your child can obtain the necessary needles.

**Call the Toronto Public Health Immunization Infoline at 416-392-1250
to ask any questions about immunization.**
